

BOMI Canada Announces New Board Trustee

55 York St
Suite 1201
Toronto, ON, M5J 1R7
416-977-8700
1-888-821-9319

*For immediate release
January 26, 2017*

Rod Winters, Chair of the Board of Trustees of BOMI Canada is happy to announce the recent addition to the Board of Trustees of Luciano Salvatore, RPA, FMA, CFM. Luciano brings to the Board of Trustees a wealth of knowledge in all facets of real estate. He has 30 + years in our industry and the company he founded, Luciano Salvatore Project Management, is just over 10 years old and encompasses Facility and Property Management, Project Management. Luciano has been an active member of BOMA Quebec for the past 9 years, and has sat on the committee for the development of training and certification.

The Chairman noted “We look forward to Luciano joining the Board and providing his insight and knowledge as we work to deliver education to the Canadian marketplace”.

The Building Owners and Managers Institute (BOMI) of Canada, founded in 1974, was established to provide industry professionals with career-building education. Providing industry professionals with meaningful and relevant education, BOMI Canada is a certified educational Institute and a registered charity. A rich history of commitment to our students, an education-focused mission, and a reputation for outstanding programs are just a few of the many reasons why BOMI Canada is the leader in commercial property and facility management/operations education in Canada.

Since its inception, BOMI Canada has helped advance the careers of more than 11,000 students through specialized courses leading to one of our following designations; RPA, FMA, SMA, SMT, BOMI-HP.

BOMI Canada now offers three courses within the FMC certificate program in both official languages and our three French courses are offered in a 8 week on-line program through La Cité College in Ottawa.
